PLEASE READ - This is not a joke nor is it an attempt to damage a reputation

Name: Derrick Jones a.k.a DJ or D
Birthdate: March 8, 1978
Tattoos: (a Snake) on his right hand, (teardrop under left eye), Names of family members on his arm - Dee, Ozella (mother's name), Latonya and a couple of other names.

I'm sending this out hopefully to save others from his violent ways and have this danger to society removed from the streets and put where he belongs.

VERY IMPORTANT- HE WILL LOVE YOU AND LEAVE YOU FOR DEAD!!!!

The "Relationship" started out well. He was very nice, charming and caring but I would soon find out different. After a few months I allowed him to move in with me, and that's when things began to turn for the worst. The arguments began and it started with just yelling back and forth, and then one day he choked me. I immediately packed up and moved out of my home. He called trying to get back together and I agreed only to meet with him to talk. When we did meet he started making threats about things that he would do to me and my family members if I refused to take a ride with him.

After a couple hours of riding and talking he started driving toward I-95 South. When I asked him where we were going he told me that he was going to visit family. That day he kidnapped me and took me to Greenville, South Carolina from Washington DC, where I had no family or friends. I was always under his watchful eye and unable to call my family until a few days later from a pay phone. I alerted my family informing them of my whereabouts, and that I was unharmed. He kept me there living in a room with his family for four months. He made sure I had no money and he took the car every time he left.

When I finally got the courage to leave and go home, that would be the night that I would fight for my life. He found four dollars in my wallet and that was all it took. He stabbed me, tried to set me on fire and finally he shot me. He aimed for my head and I pushed his hand and when the shot was fired so I was struck in the neck, instead of my head.

I was shot point blank range with a 9mm handgun. The bullet missed my spine by a fraction of an inch. I have been left with physical and emotional scars.

I was a victim of a very violent domestic crime and I am blessed to be alive.

This man is currently on the run for 2 attempted murder (in South Carolina and DC), hitting a child while driving (in DC), and numerous other charges ranging from Federal Threats, Kidnapping, Robbery, Assault & Murder.

He has been seen and has family in: Washington DC AREA (DC, MD & VA), South Carolina (Greenville), Atlanta, Florida, New York, Baltimore, and California - so please be on the lookout in all of these states!!!!

This man is known to be a part of the DL - DOWN LOW community (men who sleep with men). There are photos of him in the act with different men (too much to show here) But it's true, I found this out after my ordeal!!!

This man is extremely dangerous and needs to be off the streets ASAP. In the event you have seen him or know someone that may be involved with him, PLEASE report him to your nearest police department - Very Important (do not say anything about this to him, for your own safety) just dial 911!!!

If you have information and you don't want to contact the police directly, send info, questions and comments to helpmcc911@hotmail.com and I will pass it on myself.
